Subject: May 9th Council Hearing Testimony on Bill 11 CD1

Dear Chairperson and Council Members:

I grew up in Kailua and am writing to ask you to please vote YES on Bill 11 CD1. Allowing for commercial activity and tour buses at Kailua Beach Park is inappropriate, both in terms of Kailua's infrastructure and in light of the fact that Kailua is a residential community. It is unacceptable to put the financial gain of the tourist industry above the quality of life of local residents and the overall health of Kailua's environment and community. It is also unacceptable to disregard the zoning and planning underlying the development of Kailua as a residential area by turning Kailua Beach Park into the next Waikiki.

Please support Bill 11 CD1.

Thank you.

Sincerely,

Leah Retherford
